ELIGIBILITY:

Founded in 1929, the National Association of Real Estate Editors recognizes excellence in writing, editing and reporting each year.

All journalists covering the broad field of real estate whose work was published in or posted/aired as part of the news division of independent news outlets in 2018 can enter. An independent panel of judges will consider criteria appropriate to the category including but not limited to clarity of writing, objectivity, originality, depth of reporting and design if applicable.
